Centurion University Bhubaneswar, Odisha

B.Sc In Information Science and Telecommunication (IST) 2022 – 2025
Ravenshaw University Cuttack, Odisha

- CGPA **|** 8.92

Higher Secondary Education (Class 12th) 2020 – 2021
Jhadeswar Science & Residential College Baleswar, Odisha

- Percentage **|** 83%

EXPERIENCE

Java Full Stack Intern @ Centurion University May - June 2026
Summer Internship Programme Bhubaneswar, Odisha

- Completed a 270-hour Java Full Stack Internship Programme conducted by the School of Computing and Data Science.
- Gained hands-on experience in Java full-stack development and applied software development concepts through practical training.

PROJECTS

TravelVerse | *React.js, Spring Boot, REST APIs, MySQL* | June 2026

- Built a full-stack travel booking platform for discovering and booking destinations, hotels, flights, and travel packages.
- Implemented booking and checkout workflows, wishlist functionality, and user management with a responsive React.js interface.
- Secured the application using JWT authentication and role-based access control, with a dedicated admin dashboard.

Desktop Compiler | *Java, Java Swing, File I/O* | April 2026 | GitHub

- Developed a fully functional multi-language desktop compiler IDE, supporting code writing, compilation, & execution within a single dark-themed graphical interface.
- Built a responsive Java Swing & designed an intuitive graphical user interface to improve the coding and testing experience.
- Implemented file management features including creating, opening, saving, and editing source files.

Car Rental System | *HTML, CSS, JavaScript, PHP, & MySQL* | December 2025

- Developed a full-stack online car rental web application with user registration, car browsing, location-based booking, & role-based access control for customers and admin.
- Implemented an interactive console with real-time input/output handling, allowing users to type program inputs directly in the output panel during execution, with a custom document filter.
